

*Enjoy enhanced privacy and aesthetics with innovative designed solutions*

GlassLock Graphic Design Films combine design traditions with 21st Century technology to offer innovative new ways to manage space. When applied to glass, Graphic Design films create a serene, etched-glass appearance at a fraction of the cost of etched-glass.

Graphic Design films are perfectly suited for interior glass partitions or the inside surface of windows. Available in many textures which can be die-cut for highly customizable designs. Graphic Design films can be used to create a more private atmosphere or a more dynamic aesthetic.

Graphic Design films are perfect for both new construction, existing buildings and an easy solution to upgrade a designed corporate image.

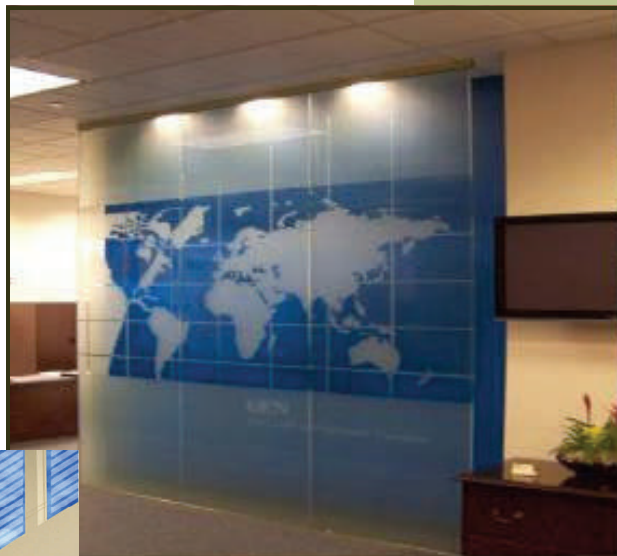

**A beautiful way to protect your privacy**—common applications would include:

- **Enhanced Corporate Images**
- **Conference Rooms**
- **Lobbies**
- **Retail Environments**
- **Private Offices**
- **Exterior Windows**
- **Glass Partitions**
- **Residential Settings**

**Glass Films For Interior Designs**

**Versatile Solutions**— Films made of durable polyester matte surface, are perfect for privacy, decorative and architectural applications. Once applied, the films function as permanent solutions, but can easily be removed or repositioned as needs or styles change. Care is simple— films maybe washed with non-abrasive cleaning solutions.
